## ***SNOWMASS – SILVERTREE HOTEL***

June 12, 2006

### **Dear Friends of Florida Ski Adventures:**

We are so excited about the 10<sup>th</sup> anniversary of Florida Ski Adventures! You are not going to believe the fantastic trip we have planned for you. Based on previous trip surveys, we know that many of you have requested ski in/ski out access at the Snowmass/Aspen ski area. We have selected the premier, four-star rated Silvertree Hotel ([www.silvertreehotel.com](http://www.silvertreehotel.com)) in scenic Snowmass, Colorado. The Silvertree Hotel is perfectly located between the Snowmass ski/boarding area and the village mall.

Snowmass mountain boasts a top elevation of 12,510 feet, a vertical rise of 4,406 feet, 3,128 acres of skiable terrain, 6 high-speed quads, a brand new 8 passenger gondola going directly from the base to Elk Camp (11,325 feet), and a host of other lifts.

The dates for next year's trip are Saturday, February 3, 2007 through Saturday, February 10, 2007, the premium ski / boarding season, but CK, as usual, has negotiated value season rates. There will be a Superbowl party Sunday, February 4, 2007.

As usual, FSA provides you with travel alternatives. We have direct flights on United each way from Tampa, and a ground-only (travel without air) package. Separate trip applications are enclosed for each option. We will also be happy to assist you if you would like to fly into Aspen.

Your Snowmass lift ticket can also be utilized at Aspen Mountain, Aspen Highlands and Buttermilk Mountain, all a short complimentary bus ride from the Silvertree Hotel. A new, high speed eight-passenger gondola is being added for our upcoming trip to the Snowmass Mountain area. This gondola will serve the popular Elk Camp area.

Our amenity package has more to offer than any other year in our 10 year history.
