July 12, 2007

Dear Friends of Florida Ski Adventures:

We have finally put together the details of our 2008 ski/snowboard experience and have secured a first class property with ski-in & ski-out access right next to a gondola. For 2008's trip we will be staying at the **Sheraton Steamboat Resort and Conference Center** in beautiful Steamboat, CO. The Sheraton Steamboat Springs Resort & Conference Center is Steamboat's only ski-in/ski-out conference resort. Hailed as "one of the best ski resorts" by Condé Nast Traveler's Top Ski Resorts readers' survey and one of "Twelve Perfect Places in North America" by Money Magazine, we are very excited to be able to offer this trip to you.

The dates for this year's trip are January 26th through February 2nd, 2008 and they are considered peak ski season by most resorts but CK, as usual, was able to negotiate peak ski time at non peak prices!

This year you will have **THREE** unique travel options to choose from ranging from ground only (which includes everything but your airfare), an airfare option into Denver and an airfare option directly into the Hayden/Steamboat Airport. Details are available regarding each individual trip on separate applications. The Denver airfare option is a non-stop flight while the Hayden airfare option has a connection through Denver. Space on the Hayden airfare option is limited to the first **18 DEPOSITS** or a "first come first reserved basis" based on receipt of your deposit check in the amount of \$200 **AND** a completed and signed application! As always, the prices are for double occupancy of either a king or two queen bedroom.

The amenity package has more to offer than any of our previous 10 years:

The many amenities that Florida Ski Adventures and the Sheraton Steamboat Resort will provide for you on this trip include:

- Two airfare options - fly into Denver *OR* Hayden/Steamboat Airport.
- Seven nights lodging at the ski-in/ski-out Sheraton resort – right next to the Gondola!
- High speed wireless internet access in hotel lobby
- Massage therapy available
- Shopping arcade
- Fitness facility
- Indoor & outdoor whirlpool
- Steam bath
- Outdoor heated pool
- Game room
- Business center
- Starbucks Coffee Shop on property!

In room amenities include:

- Refrigerator
- High speed internet access
- 27” color TV with remote
- Humidifier
- Room service
- Voicemail
- In-room safe
- Coffee maker
- Steam iron & ironing board
- Hair dryer

What you do:

- Send in one of the **THREE** applications, signed and with your \$200 per person deposit check **NOW!**
- Pack your bags in January!

Mark your calendars and continue to monitor our website (www.flskiadv.com) for updates and additional information. At these prices and value we are sure to sell out fast! We look forward to skiing and boarding with you at Steamboat in 2008!

Sincerely,

C.K. & Bill
