Dear Friends of Florida Ski Adventures:

Can you believe that this is our 12<sup>th</sup> year? We now have all of our contracts signed; we are very excited about our 2009 destination. We are going to Vail, the largest ski resort in the United States containing the most groomed trails in the world; 7 back bowls and 4 terrain parks. Vail is consistently rated the number 1 ski resort in the United States. This thrilling mountain playground also offers many other activities. They offer ice skating, snowmobiling, tubing, sledding and much more. Adventure comes in other forms as well: fun festivals, shopping, dining and tons of night life.

New to FSA this year – we will accept payments through VISA or MasterCard. Please utilize the enclosed credit card authorization form if you wish to pay by credit card. We must have a signed authorization form for each transaction (deposit, etc). Additional copies can be printed from our website, [www.flskiadv.com](http://www.flskiadv.com).

We are very excited about our hotel, the Vail Cascade Resort & Spa [www.vailcascade.com](http://www.vailcascade.com). This is a AAA Four-Diamond property and Vail's premier ski-in/ski-out destination with their own designated 4-person chair lift. Please review their website to see the many additional features of this top-rated mountain and hotel. Vail has added another 3 chair lifts in Blue Sky Basin to the back bowl area since I was there several years ago. The hotel is beautiful and each guest room contains the following.

Please mark your calendars and continue to monitor our website at [www.flskiadv.com](http://www.flskiadv.com) for updates and additional information. We are working on events for this trip and will keep you posted on our website. This is going to be our best trip ever!

Please sign up for this great trip early. We have been negotiating with Vail hotels for over 5 years. This is the first time we have been able to negotiate an affordable rate at a premier ski-in/ski-out property in Vail. After all, this is the only AAA Four Diamond ski-in/ski-out property in Vail. With this incredible location and value pricing we will sell out of space very quickly!

We are looking forward to skiing with you this January.
