Dear Friends of Florida Ski Adventures:

We are now in our 12th year of providing fantastic ski/snowboard trips with the best value for your ski vacation. For 2010's trip we will be staying at the **Park Hyatt Beaver Creek Resort and Spa** in beautiful Beaver Creek, CO. The 4 ½ star Park Hyatt Beaver Creek Resort and Spa is one of Beaver Creek's premier ski-in/ski-out spa resorts just steps from the Centennial Express Lift. Outstanding amenities, tasteful shops and deluxe touches wherever you turn create an unforgettable experience at this unique luxury resort. Beaver Creek has a complimentary village-to-village shuttle and the hotel offers complimentary transportation around Beaver Creek

The dates for this year's trip are **Saturday January 23 through Saturday January 30, 2010**. This is considered peak ski season and we are looking forward to great snow.

We have spent the last few months monitoring ticket prices into Denver and Eagle/Vail. As of today, it is less expensive to fly directly into Eagle/Vail than it has been in the past. This eliminates the 2 hour each way bus trip. We are offering airfare directly into Eagle/Vail and ground transportation. A ground only package is also available; all at fantastic prices!

The flight from Tampa package includes airfare from Tampa to Vail/Eagle/Beaver Creek, ground transportation, 7 nights at the beautiful Park Hyatt Beaver Creek Resort and Spa (per person, double occupancy) and daily breakfast vouchers. This fantastic value is available for **\$1,349** (last ski season this trip was \$1,599).

The ground-only package includes ground transportation (if you arrive and depart with the main group), 7 nights at the beautiful Park Hyatt Beaver Creek Resort and Spa (per person, double occupancy) and daily breakfast vouchers. This fantastic value is available for **\$969** (last ski season this trip was \$1,099). If you are traveling ground-only, please book your airfare immediately since the rates may increase due to higher fuel costs and the approaching ski season.

The many amenities that Florida Ski Adventures and the Park Hyatt Beaver Creek Resort and Spa will provide for you on this trip include:

- Airfare and ground transportation (if arriving and departing with the main group)
- Seven nights lodging at the ski-in/ski-out Park Hyatt Beaver Creek Resort and Spa – right next to the chairlift!
