### **Dear Friends of Florida Ski Adventures:**

We are so excited about our 2012 trip; you are not going to believe the fantastic trip we have planned for you. Based on previous trip surveys, we know that many of you have requested ski in/ski out access at the Snowmass/Aspen ski area. We have selected the premier, four-star rated Silvertree Hotel ([www.silvertreehotel.com](http://www.silvertreehotel.com)) in scenic Snowmass, Colorado. The Silvertree Hotel is perfectly located between the Snowmass ski/board area and the village mall. This year we successfully negotiated a daily 25+ item gourmet breakfast buffet.

Snowmass Mountain boasts a top elevation of 12,510 feet, a vertical rise of 4,406 feet, 3,132 acres of skiable terrain, 21 total lifts including an 8 passenger gondola going directly from the base to Elk Camp (11,325 feet), and a host of other lifts. Types of trails: 6% easiest, 50% intermediate, 12% advanced, 32% expert.

The dates for next year's trip are Saturday, January 28, 2012 through Saturday, February 4, 2012, the premium ski / boarding season.

As usual, FSA provides you with travel alternatives. We have flights into Eagle/Vail on United each way from Tampa, and a ground-only (travel without air) package. Separate trip applications are enclosed for each option.

Your Snowmass lift ticket can also be utilized at Aspen Mountain, Aspen Highlands and Buttermilk Mountain, all a short complimentary bus ride from the Silvertree Hotel. A new, high speed eight-passenger gondola is being added for our upcoming trip to the Snowmass Mountain area. This gondola will serve the popular Elk Camp area.
