

Hello Friends of Florida Ski Adventures,

We are very excited to announce that our 2019 trip will be to Big Sky, Montana. We will be staying at the famous Huntley ski-in, ski-out Lodge from Saturday, January 19-26, 2019. The trip includes a gourmet breakfast every day. We love Big Sky and having the opportunity to visit Yellowstone National Park.

Every year we have a challenge to overcome, and every year it seems like the airline industry is the culprit. This year Delta has discontinued group booking services. United and American have added extra fees for group bookings. Therefore, everyone must purchase their own airline tickets.

You can buy your own ticket for less than we can through a group purchase. This also gives you the opportunity to use miles or points. Please consider using the cheap ticket websites to find your best deal. Check these sites frequently since prices fluctuate rapidly.

You should fly into Bozeman, Montana (BZN) on January 19, 2019 and depart from Bozeman on January 26, 2019. It is uncharted territory for us to have multiple arrival and departure times. We have ground transportation in 7 passenger vans. Please book your arrival time between noon and 3:00PM on January 19<sup>th</sup> to be a part of our ground transportation. Your return flight from Bozeman should depart no earlier than 11:00AM if you choose to use our group ground transportation. As we stated, this is uncharted territory for us and we will make every effort to accommodate your ground transportation needs.

**VERY IMPORTANT:** When you book your airline ticket be sure that you send your schedule to C.K., including airline, flight numbers, arrival, and departure times. Send to [ck@flskiadv.com](mailto:ck@flskiadv.com).

Additional detailed information on the mountain, Huntly Lodge, ski terrain, and Yellowstone will be forthcoming. The trip application is in process and will be emailed to you shortly.

Yours Truly,

C.K., Mohit, and Tom
